LGBTQ+ Parent Support Group

Are you an LGBTQ+ parent or do you want to find out more about the journey to parenthood?

BourneThisWay LGBTQ+ parent support group aims to create a non-judgemental, friendly, inclusive space for parents and their children.

Some LGBTQ+ people who are thinking about starting a family or getting pregnant can feel quite isolated. We can provide information about how to get started.

We meet once a month in Eastbourne and surrounding areas, undertaking health & well-being activities.
